

Wardrobe Sliding Doors
CATALOGUE
Volume - 1 (2026 Edition)

Our Story

Every thoughtfully designed space begins with an idea—a vision of how people want to live, feel, and experience their surroundings. At SMATE Trendy & Luxury, we transform that vision into refined sliding solutions that elevate modern interiors.

Driven by a passion for design and attention to detail, we offer an extensive range of sliding systems, premium glass collections, profiles, and customized design possibilities that bring individuality into every space. Our approach combines aesthetics, functionality, and lasting quality to create solutions that become a natural part of everyday living.

For us, every project goes beyond products. It is an opportunity to contribute to spaces our customers dream of building—spaces that reflect their personality, aspirations, and definition of luxury.

OUR MISSION

To shape imagination into reality through premium sliding solutions that combine design freedom, lasting quality, and thoughtful customization —creating spaces people aspire to call their own.

OUR VISION

To inspire modern living by becoming the most trusted destination for luxury sliding systems—where innovation, elegance, and personalization come together to redefine interiors.

Why choose Wardrobe Sliding Doors?

Wardrobe sliding doors are a contemporary solution designed to combine efficient functionality with refined aesthetics. With greater design flexibility and a cleaner visual appearance, they bring both practicality and elegance into modern interiors.

- Space-efficient design with no additional door opening clearance required
- Creates a clean, seamless, and contemporary wardrobe appearance
- Wide range of glass collections, profiles, and design possibilities
- Highly customizable to match individual interior preferences
- Smooth and convenient operation for everyday use
- Enhances the overall premium feel and functionality of the space

- Premium digital printing on glass for enhanced design flexibility
- Pure customization to bring unique design ideas to life
- Enables custom graphics and artistic compositions
- Precise detailing with refined visual quality
- Wide range of design possibilities for personalized interiors
- Creates a distinctive and elegant design expression
- Designed to complement contemporary wardrobe aesthetics

BALVINA

- Decorative frosted glass designs with refined visual appeal
- Creates a softer and more elegant surface appearance
- Offers a balance of privacy and design expression
- Adds subtle character while maintaining a clean aesthetic
- Designed to complement contemporary wardrobe interiors

OPPEL

- Designed for a more distinctive door composition
- Allows multiple glass types to be combined within a single door
- Supports combinations such as glass, mirror, textured, and layered surfaces
- Creates visual contrast and a more personalized appearance
- Enhances design flexibility while maintaining a balanced aesthetic
- Designed to bring a refined and contemporary character to wardrobes

SIGMA

- Distinctive cross-divider layouts that create a framed design appearance
- Divides the surface into elegant sections for a more curated look
- Allows creative compositions using different glass types
- Introduces a sense of order, proportion, and visual balance
- Enhances the overall presence of the wardrobe through thoughtful detailing
- Designed to create modern interiors with a refined architectural appeal

VISTA

- Artistic line compositions that transform glass into a refined design statement
- Combines lines and shaped forms to create distinctive visual expressions
- From minimal geometry to expressive patterns, each design carries its own character
- Adds character and design interest without overwhelming the surface
- Creates a clean yet expressive contemporary appearance
- Designed to turn wardrobes into functional pieces of art
